A Note To Cookbook Contributors

We need to receive your recipes as soon as possible so we can deliver the manuscript to the printer on time.

If you would like to reserve copies of our cookbook for yourself and for gifts, now is the best time. We would appreciate as many advance orders as we can get as this will help to insure the success of the project and help us determine how many copies to have produced.

Please fill out the form below:

I would like to reserve _____ copies.

Name _____

Address _____

City, State and Zip _____

Phone _____

E-Mail _____
